## CIRCULAR

No. 14/Date: 25.08.2023

Dear Parents,

We wish to inform you about an important change in our school's policy regarding the use of mobile phones in school for students.

As we have noticed that the mobile phones are being stolen from school and students who bring the mobile phone misuse it, by taking them in class, making video etc, we have decided to implement a complete **BAN** on the use and bringing the mobile phones within the school premises, effective from 1st September 2023.

These days, Mobile phones have become a significant source of distraction for students, diverting their attention from their studies and impeding their academic progress. By leaving their mobile phones at home, students can fully focus on their studies, participate actively in classroom discussions, and maximize their learning potential. We aim to encourage healthy face-to-face interactions among students, helping them develop strong communication and interpersonal skills.

Starting from 1st September 2023, students are strictly prohibited from bringing mobile phones onto the school premises. If any student is found carrying a mobile phone, it will be confiscated by the school authorities, and it will not be returned even after the session is over.

We kindly request your cooperation in ensuring that your ward abides by this rule.

Best regards,

Archana Singh

(Principal)
