Dear Parents,
Greetings !

As responsible members of our society, it is imperative that we actively participate in the democratic process of our nation. With this in mind, we are reaching out to you to emphasize the **importance of voting and to encourage your active participation in the upcoming elections on 19th April 2024.**

Voting is not only a right but also a duty that every citizen owes to their country. It is through our votes that we shape the future of our nation and contribute to the decision-making process that governs our lives. By exercising our right to vote, we can ensure that our voices are heard and that our interests are represented in the government.

As parents, you play a crucial role in instilling values of civic responsibility and active citizenship in your children. By demonstrating the importance of voting through your actions, you set a powerful example for the next generation of voters. **We urge you to take this opportunity to engage in meaningful conversations with your children about the electoral process and the significance of participating in it.**

Let us come together as a community to uphold the principles of democracy and to exercise our right to vote. Your participation is invaluable, and your voice matters.

Thank you for your attention and cooperation.

Best regards,

Manju Sharma

(Vice- Principal)
