Dear Parents,

Greetings from MPS International !!

This is to address a critical issue that concerns the well-being and comfort of our students, **THE WEIGHT OF SCHOOL BAGS**. We have received concerns from both students and parents regarding the burden of heavy school bags, which can have negative effects on posture and overall health.

To alleviate this issue effectively, we are implementing the following measures, effective immediately:

- Either the math textbook or the notebook will be retained in school at a time, the information of which will be shared by the Maths Teacher in advance.
- Computer, G.K, Moral Science, Hindi Grammar, English Grammar, Practice notebooks of all subjects, for all the students will be kept in the classroom almirah.
- We encourage the parents to send lightweight stationery items and avoid sending unnecessary fancy & bulky items to school.
- Please provide your ward the bag, size of which should be age-appropriate.

We believe that these steps will significantly reduce the weight of school bags while maintaining the quality of education and ensuring the well-being of our students. We kindly request your cooperation and support in implementing these measures.

Your valuable feedback is always welcome.

Regards,

(Manju Sharma)
