Dear Parents,

We are excited to announce that MPS International has joined the Generation GREEN Campaign, an initiative promoting sustainability and environmental responsibility. As part of this movement, we invite you to contribute to our E-Waste Collection Drive.

E-Bin Facility:

We have set up an E-Bin in our ATL Lab for safe disposal of electronic waste. You can send the following items to school for safe disposal :

- Computers and peripherals
- Mobile phones and accessories
- Large household appliances (all types)
- Medical equipments

Procedure:

1. Collect e-waste items at home.
2. Label items with your child's name and class.
3. Send items to school through your child.
4. Our ATL Lab team will ensure safe disposal.

Let's work together to create a sustainable future!
